"Outstanding Event Personnel Coupled with Superior Service"

Letter of Reference for Linda Googh

We have worked with Linda Googh for several years with great success!

Linda has worked with us as an Event/Creative Consultant on several marketing and promotional projects. She is always highly rated by our clients.

Recently we have also worked with her in the Wellness sector. She has conducted training sessions for our clients and has been a keynote speaker.

With her extensive background in promotions and events in addition to her wellness programs, we would have no hesitation in recommending Linda.
