

*Linda Googh
Certified Reflexologist
Feet and Hands*

After a long career, as a professional dancer choreographer and special event producer for over 30 years. I suffered a life changing injury to both of my feet.

I found Reflexology to be an amazing recovery treatment bringing my feet back to their optimal performance level. The greater care you give your feet, the longer they are able to do their job.

Testimonials

Laurie Meddings Nature's Emporium

... Wow, the foot Reflexology treatment was like a tune up for my mind and body! What an effective way to overcome tension and stress ... thanks Linda

Gary Lubin Canadian Olympic

Jumps Coach ... Linda , what can I say my body responds so well to the holistic healing touch used in your treatments. As someone with a musculo-skeletal disorder I was very impressed with your knowledge and accuracy when reflexing my feet. My athletes are still raving about your workshop!

Arch Bishop Dorian Baxter ... Linda

I had no idea what to expect ... the reflexology treatment was indeed a heavenly experience I had not been this relaxed in years. God bless.

Adam Raitz ... due to my diabetes my

feet are often numb .The improvement in my circulation following the sessions were not to be believed. Regular reflexology treatments have for me been a life saver.
